
SOME OF YOU "CONstants" may recall that several weeks ago we mentioned in this column how dangerous it was to call attention to typographical errors that appear in publications other than one's own.

You see, too often one's own medium has enough of its own typos.

It's like calling a kettle black or people in glass houses shouldn't throw stones, just to throw in a couple of original phrases.

One of our old buddies, now a retired Standard Oiler, residing in Carmichael, Calif., who consistently peruses our weekly efforts quite carefully, reported a couple of typo "gotchas" in the same issue that our column appeared on typographical errors.

Wes Smith took the time to underline the aforesaid typos and to attach the related limb paragraph. He then mailed it to us with an accompanying note.

Wes claimed in his note that we had goofed twice in an ad that was run in that issue. What was supposed to have been 50-cents in the ad, according to ol' buddy Wes, really was only ½¢ because of the decimal point that appeared, i.e., .50¢.

Our friendly critic was absolutely right, y'know. But he didn't shake us too much.

Besides Smith must be slipping.

Although he caught the two four-bit errors, he overlooked another glaring one in the same ad. A word was misspelled just before the .50¢.

That just shows to go that apparently when one's retired, pennies are watched more carefully than words.

-0-

SPEAKING OF PENNIES, City Manager Bob Stephens called attention to another typographical error that appeared in a recent issue of The Press.

In a news story on the front page, it was stated that the City of Campbell was allocating $20,000 to each of the seven Campbell schools as part of the neighborhood park program.

The figure of course, should have been $10,000 per school.

Obviously we were well aware of that inasmuch as we have been writing about the amount pretty regularly now since the bond issue was passed two years ago.

But Bob really was quite decent about the glaring error.

He suggested two alternatives, (1) that we personally dig up the extra 10 grand per school or (2) that we run a correction in extra large type on the front page.

So we have compromised. We have mentioned it here.

-0-

AN INTERESTING LITtle note directed to "Cambellbell Press" was received by the office recently.

It came from Placentia, California.

Because of its brevity, we quote it in full:

"Dear Sirs,

"I am iterested in free material your company is offering. Please send as soon as possible.

Sincerily,
"Mark Fomefeld"

Mark had used the back of his dad's letterhead, apparently to pen his note and had also inserted "Mark" on the return address on the envelope.

Anyway we have been scrounging around since we received the request trying to find some "free material" in our joint.

Thus far we have been unsuccessful.

-0-

RALPH DOETSCH, SR., is the new mayor of Campbell, as you probably know. Ralph succeeded Dean Chamberlin, who served as the city's top dog during the past year.

KIWANIS
INTERNATIONAL

AFTER 45 YEARS IN ONE SPOT

Kiwanis Club moves meeting place

Members of the Campbell Kiwanis Club, which was established here in 1926, celebrated the 45th anniversary of the club recently and, at the same time, changed the club's meeting place for the first time in that span of years.

For 45 years, the Country Woman's Clubhouse at First and Campbell Ave., has been the scene of Kiwanian activities every Tuesday noon since the club was formed. The club now meets at the Black Angus, Winchester at Payne.

Above, left to right, Dick Hardy, long-time club director; Ken Mantle, present club president and Guy Farley, a charter member with 45 years of perfect attendance, removed the club banner from the clubhouse.

In the photo, on the right, Farley, who served as club president in 1934 and many many years as secretary, points to the clubhouse doorway through which he has entered so many times while Mantle dismantles the curb sign.

COMMISSION SUGGESTS

Smog may enter planning picture

Should smog conditions in certain areas become a factor in approving or disapproving proposed developments, and just where in this city are these so-called "hot spots" as far as air pollution is concerned?

Those two questions were raised by Planning Commissioner Don Hebard Monday night at the close of the Planning Commission meeting.

Hebard's fellow commissioners indicated their concern on the matter and Chairman Dale Scott directed Art Kee, planning director, to explore the situation and report to the Commission at the next study session.

Hebard cited the recent situation in San Jose that has been publicized in which a family had been so adversely affected that it was felt advisable to move to another locality.

Various smog "hot spots" in the area had been pinpointed by a survey team composed of San Jose State and Stanford people who recommended, in effect, that mobile check stations were needed to determine the intense smog areas, primarily affected from heavy traffic conditions.

Hebard suggested that Campbell may have similar areas which would be important for the Planning Commission to know about.

A case in point would be the Hamilton-Bascom intersection, it was pointed out, which is reported to be one of the heaviest traveled in the county.

In other actions the Plan-

SATURDAY SLAYING

Police check on murder leads

Campbell's record of having had no murders committed within its borders since it has been a city went by the boards this weekend.

Campbell police this week were following a number of definite leads as they pressed their investigation of the murder of Burl Fortney, 58, of 102 Fulton, Apt. 3, Campbell, early Saturday morning.

According to the police report, Fortney was shot in the back with a 20-gauge shotgun at close range not long after he had stepped out the door of Cisco's Cocktail Lounge, 723 W. Hamilton Ave. in the Riverside Shopping Center, just shortly before 1 a.m.

Police Captain Don Burr, acting Campbell police chief, said that the records of the local department reveal that this is the first murder that has taken place in Campbell since this city was incorporated in 1952.

Capt. Burr said that the preliminary investigation indicated that robbery could have been the motive, as Fortney's wallet was missing. Det. Sgt. Ron Eddlemon pointed out that two men walked out of the cocktail lounge just before the murder victim did. One of those men, Sgt. Eddlemon submitted, could have been the killer.

Capt. Burr said the victim had left his car in the parking lot, but the shooting took place about 20 yards from the parked car.

No one in the bar apparently heard the shot.

The police were notified by Wilbur Browder, the bartender at Cisco's.

Arthur Sisco, the operator of the pizza parlor next door to the bar, saw the crumpled person on the sidewalk and informed Browder of that fact. Investigation showed that the victim was dead.

Funeral services were conducted on Tuesday for the murder victim.

Fortney, who was born in West Virginia, was a widower. He is survived by a daughter Mrs. Karen Woolsey of Salt Lake City, Utah and his mother, Mrs. Ella Fortney of

District to lose two principals

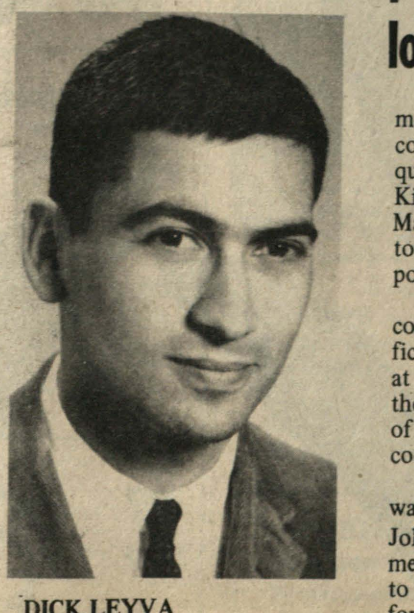
Two principals in the Campbell Union (elementary) School District will assume new duties next year, it has been announced by the district administration.

Richard Leyva, principal of San Tomas School for the past five years, has submitted his resignation in order to accept a principalship in the Mountain View School District.

Adrian Cibilich, principal of Sherman Oaks School for 13 years, at his own request, will teach special education classes for handicapped children at Parkway School next year. Cibilich has been employed by the school district for 17 years.

Jim D'Avis, acting superintendent, has not yet announced who will be named as principals for the two schools.

At a special board meeting last week, the firm of Peat, Marwick Mitchell & Co., was awarded the contract for auditing the district's accounts for the year.



DICK LEYVA
--leaves district

"Ken's" to donate dinner proceeds

All proceeds from the dinners served by Ken's House of Pancakes, 100 W. Hamilton Ave., between 2 p.m. and 10 p.m. this Thursday (May 6) will be contributed to the "John D. Morgan Fund", according to Betty Raynor and Bob Holiday of the restaurant.

Dinner prices on Thursday will start at $1.25 to allow as many as possible to participate in the fund-raising event to help defray medical expenses of Police Chief John D. Morgan who was stricken on Feb. 13, and has remained paralyzed since that time.

He is in the Campbell Community Hospital. The hospital has contributed the room, but the stricken chief requires around-the-clock nursing service.

Police to honor local citizens

Campbell Police Department will hold its fifth annual community appreciation banquet at the Royal Fork in Kirkwood Plaza next Tuesday, May 11, at 7 p.m., according to Captain Don Burr, acting police chief.

Richard Bothman, assistant county juvenile probation officer, will be the main speaker at the annual event in which the police recognize members of the community for their cooperation during the year.

The annual dinner which was initiated by Police Chief John D. Morgan in 1966 as a means of saying "thank you" to citizens of the community for their support, has virtually become a civic tradition.

THIS FRIDAY NIGHT

New city hall projects feature special session

Matters pertaining to Campbell's new city hall will be the main items on the brief agenda of a special meeting of the City Council this Friday, May 7, at 8 p.m.

The special meeting replaced the regular session for next Monday, May 10, as the majority of the Council will be attending a mayors and councilmen institute in Sacramento May 10-11-12. The institute is sponsored by the League of California Cities.

On the agenda Friday is a report on the informal bids that have been obtained for the moving expenses from the old city hall into the new city hall tentatively set for Friday, June 4.

City Manager Bob Stephens reports that bids range from a low of $753.40 to a high of $3380 for the big move.

In a related matter, the Council will continue discussion on the purchasing of furnishings for the city hall. There has been a slight hang-up over the need of obtaining adequate professional advice on the matter.

A final report is also expected from Wally Byron, building official, on a firm cost for completing the employees lounge in the new city hall. The Council has specified that the maximum figure for that project will not exceed $9,500.

Stephens will also submit the proposed time schedule for the selling of $720,000 in civic improvement bonds. Tentative plans call for bids to be opened on June 29.

The Council may also on Friday adopt a resolution call-

(Continued on Page 2)

CHECK FOR MORGAN FUND--Norm Scott, president of Campbell Rotary Club, presents the proceeds from the Rotary-sponsored train ride which netted $2500 towards the John D. Morgan Fund, to Don Burr, acting chief of police. Onlookers are Ed Fabbri, finance chairman for the trip, and Mrs. Helen Dreher, Campbell police matron. Fund raisings for Morgan's hospital expenses have netted over $14,000 to date according to Sgt. John Butler of the Police Department. Expenditures have been over $8000. Recent contributions include $57 from Campbell-Moreland Pony League's opening day collection and $622 from Orchard City Grange's breakfast.

Editorial

DO SOMETHING

The Campbell JayCees have undertaken a commendable civic project called the "Do Something" program.

We are heartily in accord with the purpose behind the undertaking. The JayCees are attempting to face personal needs, ecological challenges and governmental affairs with an active commitment to "do something".

Admittedly the program may sound somewhat nebulous and intangible. The JayCees are seeking the volunteer involvement of the citizens in solving the basic needs of the community.

According to Norman Wood and Richard Smith, who head the Campbell JayCee "do something" committee, Pepsi Cola is financially assisting the JayCees on a nationwide basis to accomplish the mission. The JayCees are providing the manpower to organize communities to live within their city limits.

The JayCees point out that the public is demanding that big business contribute to solving the world problems and they commend Pepsi Cola for lending a hand in a material way.

The "do something" committee of the JayCees have attempted to pinpoint the needs of the community. A number of basic points have been uncovered.

Wood and Smith point out, for example, that:

1. Friends are needed for the elderly in town.

2. Teachers are needed to help Spanish-speaking people communicate in English.

3. Counselors are needed to backpack on weekends with youth.

4. Assistants are needed to work with the Red Cross at community centers.

5. Readers are needed for blind persons.

6. Drivers are needed for special school programs.

7. Youth group leaders of all types are needed.

And there are many other areas in which the people can get involved in doing something.

As we understand it, the JayCees want groups and individuals to respond to their request for specific tasks that need to be done.

Until May 9, the JayCees will continue to accept requests for help. The requests should be submitted to P. O. Box 128, Campbell.

When the needs have been tabulated, the JayCees plan to develop a plan in which they will attempt to enroll interested individuals, young and old, as volunteers to carry out the program.

We are well aware that the program may sound a bit vague.

But we all must agree that the objective is commendable.

The JayCees are acting more or less as a clearing house. They find the needs in the community and then they assign volunteers to participate.

What the JayCees emphasize in their "do something" program is that there are many ways in which individuals in a community can help make life better for their less fortunate fellow citizens.

What is needed, they claim, is to organize the procedure so that those who want to "do something" for their community can utilize their time and ability to the best advantage.

The list of needs that the JayCees have formulated at the present time is only a partial one at its best.

Many of us have good intentions.

And many of us have spare time that can be used to a good advantage, if we work at it.

Most of us, of course, recognize that there are situations in any community in which a helping hand is all that is needed to make life a little easier for others.

We have no idea how successful this program of the JayCees will be.

They must overcome a built-in apathy that is always prevalent.

Yet the basic philosophy is sound.

Those who have always wanted to "do something" can now have that opportunity.

We wish success to the JayCees and urge individuals to respond and become involved.

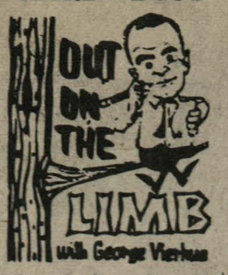
MORE ABOUT



(Continued from Page 1)

To those of you who may have tuned in late, the City of Campbell has a policy in which the councilmen rotate in the mayor's chair. Every year there is a different mayor, so they all eventually get a chance to handle the gavel.

Doetsch, who has been on the City Council since 1962, was mayor during 1966-67. This is his second chance to run the show.

As self-appointed council historian, we always like to point out that, not only is Ralph the only councilman in the history of this city who has ever served as mayor on two different occasions, but he is the only one who has ever been elected on a write-in basis. (That's how he was elected in 1962.)

Before our compatriots in the council historical society jump on us, let us clarify this mayoralty musical chair bit.

There have been a number of mayors in the past who have served more than one year terms (Dick Morton, John Chargin, Myron Fairchild, Whitey Weitzel, Pete Lico, Charlie Rose), but Ralph is the only one who served one year, stepped down and then was named again five years later.

Of the present City Council, every one except Bill Podgorsek has served as mayor (Dean, Ed Rogers and Bill Smeed). But Bill Pod's turn is coming.

He is now vice-mayor.

Come next year, it will be Mayor Bill Podgorsek.

If you break his name up into three syllables, it really isn't too difficult.

Try it:

POD-GOR-SEK.

If you practice enough, by next year you may be able to pronounce your city's mayor's name correctly.

Try it again:

POD-GOR-SEK.

But look who's talking?

You ought to hear how VIERHUS comes out at times.

-0-

AT THE LAST ANNUAL dinner meeting of the Campbell-Los Gatos local of the Sunsweet Growers, your editor was introduced as "George Vierra".

That could be called the Portuguese connotation.

We had a cousin who lived in Lower California for some time.

His name was Al Vierhus.

You know how it came out, don't you?

ALVAREZ.

That would be the Spanish version of a strictly German name.

-0-

AT THAT SUNSWEET dinner meeting, nostalgia was the name of the game.

Present were many of the old-time fruit growers of the area who have seen the Santa Clara Valley change from the fruit basket of the world to the urbanized sprawl of today.

G.K. Schrader, a long-time official of Sunsweet, read an historical account of the rise and fall of the fruit growing situation that had been drafted by Robert Couchman, former editor of Sunsweet Magazine.

It traced the history of the fruit growers in the area and described the beauty of blossom-time, when our Valley, now covered with blacktop and buildings, attracted visitors from all over the world.

It was sort of sad in a way.

The dinner meeting was the last for the Campbell-Los Gatos unit of the Sunsweet Growers. The unit, which is one of 33, is merging with Cupertino and Fremont into the Live Oak local.

That sort of tells the story. Fruit growing in this area has become virtually extinct.

However, the dryer in Campbell is still owned by the growers and fruit is being shipped in from other areas.

We recognize that many of the old-time growers are materially better off today because of what they realize $$wise in the agricultural to urbanized transition.

And they don't have to worry about the crops.

But that really is not the point to us.

Blossoms are much more attractive than blacktop.

-0-

MEMBERS OF THE Campbell-Los Gatos unit, before going out of existence, voted to establish a scholarship for deserving West Valley College students from the excess funds that the local group had accumulated.

So despite all the blacktop and buildings that exist today in place of the fruit trees, the fruit-growing era will be remembered via that scholarship each year.

We think that was a generous and worthwhile gesture.

It's like a guaranteed prune crop each year.

At a guaranteed price.

-0-

INCIDENTALLY, BACK to Ralph Doetsch for a moment.

It was a virtual certainty that Ralph was to be named mayor and, of course, Loraine (Ralph's wife) wanted to be on hand at the ceremony.

But as luck would have it, she had a conflict in meetings.

So she did the next best thing.

She sent a telegram to her husband, in which she expressed her best wishes.

The wire was delivered on time.

That, we think, is another first for the Doetschs'.

COMMENDATION

Sergeant Richard C. Perkins, son of Mrs. Margaret E. Perkins of Campbell, is a member of the 5073rd Air Base Squadron at remote Shemya Air Force Station at the western tip of the Aleutian Islands that has been cited for its outstanding defense of North America.

The squadron, midway between Anchorage and Tokyo and 280 miles from the coast of Russia, has received the U.S. Air Force Outstanding Unit Award.

Sergeant Perkins, a carpenter, and 5073rd personnel, provide a variety of support and operational services as the host organization for the island multi-service military and civilian community.

He is a 1967 graduate of Campbell High School. His father, Donald J. Perkins, resides in Cupertino.

(Continued from Page 1)

ing for the Board of Supervisors to call a special study session on the county library building program for the purpose of accelerating the construction program.

Representatives of the nine cities in the library district have suggested that a two-cent library district tax hike will allow the program to continue on schedule.

Affected is Campbell's proposed library which will be built under a joint powers agreement between the library district and the city. It is estimated that the county is short $200,000 of the amount needed at this time.

Stephens will also make a progress report on Friday on the county communication issue which affects the city. The county has submitted that the contract for communication services to the city will be doubled this year.

Campbell is prepared to establish its own system, if the proposed rate is not modified by action of the supervisors. Stephens said that the city will continue to recruit possible dispatchers with the understanding that they will not be employed unless the city goes on its own on July 1.

On Friday night also the Council is expected to approve the five-year lease purchase agreement with Bank of America for the new $50,300 pumper that has been delivered to the city.

Hospital week features special local events

Campbell Community Hospital will join with others in the area in observing National Hospital Week next week (May 9 - 15).

Nancy McGuire of Saratoga, a student at San Jose Hospital School of Nursing, has been selected as "Miss Hospital Week" by the eight central Santa Clara Valley hospitals that have joined together for the observance.

She serves as a pretty symbol of care given at today's hospitals, with their growing roles as community health centers.

National Hospital Week is annually observed on the week of Florence Nightingale's birthday (May 12). This is the 50th annual observance sponsored by the American Hospital Association, with more than 7,000 hospitals participating.

In addition to Campbell Community, area hospitals taking part include Alexian Brothers, Community Hospital of Los Gatos-Saratoga. The Good Samaritan, O'Connor, San Jose Hospital, Park-Alameda (San Jose), and Santa Clara Valley.

Employees of some are wearing lapel buttons with "Your Hospital Cares" on them; at some special observances are being arranged. Most will have tray favors or flowers on Sunday, Mother's Day, and all week employees will wear "Your Hospital Cares" buttons.

Community Hospital of Los Gatos-Saratoga has a Saturday (May 8) prelude on schedule, with an auxiliary mothers'-daughters' tea in Saratoga Federated Church. During the afternoon two nursing education scholarships will be given to a pair of junior auxilians; the junior group earned funds for the scholarships at car washes.

Within that hospital will be pictorial displays of its community program. Employees and patients will receive brochures accenting the role of Community Hospital in the area, as well as its history.

At The Good Samaritan Hospital, the Employees' Advisory Committee, made up of representatives from each department, is in charge of the observance. This week balloting is being completed in an "employee of the year" contest, with five nominees, including David Steele, chief janitor, of 1315 Pollard Rd., Campbell.

Winner will be announced at a Thursday (May 13) coffee hour, in conjunction with which will be a "Florence Nightingale - type" hospital room and a modern hospital room, with some of the more sophisticated patient care equipment.

Highlight of the Thursday afternoon event will be presentation to the hospital of a flag, designed with the Good Samaritan seal on it, according to Mike Milan, president of the EAC.

READY FOR NATIONAL HOSPITAL WEEK — Nancy McGuire of Saratoga, a San Jose Hospital School of Nursing student selected "Miss Hospital Week" by central Santa Clara Valley hospitals, shows informational materials prepared by the American Hospital Association for the May 9-15 observance. From left to right are James P. Roth, executive director of Campbell Community Hospital; Leo Smith, administrator of Santa Clara Valley Medical Center; and Roland D. Olen, administrator of O'Connor Hospital.

Girl Scouts

NEIGHBORHOOD 15

by Nan Warren

Springtime is a time of new sights, smells and sounds especially in Girl Scouting.

You know it's Spring when you see a string of girls peddling bicycles along the side of the road. Troop 211, Hazelwood Juniors, took a "bike hike" recently to West Valley College, Saratoga campus. With the whirring of wheels and the smiling faces, you know they were having a great time.

Other troops, such as the Capri Juniors, Troop 371, and the Bucknall Juniors, Troop 704, have had preliminary cook-outs at Vasona Park in preparation for troop camping. Troop 371 spent last weekend at Uvas Canyon Park and Troop 704 had their camp-out at Sunset Beach. Nothing tastes better than food cooked over an open fire – especially when you've done it yourself. Granted, it doesn't always come out as well as Mom's but it takes time to learn.

The Cadettes of Troop 567 spent a double overnight at the Palo Alto Scout House this past weekend. On Friday night they were fortunate enough to have a guest come and speak to them about his native Israel and on Sunday morning they attended Stanford Chapel and had lunch in the commissary.

You know it's Spring when the rummage sales become popular. The Quito Juniors, Troop 621, used their sale as a service project to earn money for an Indian family and towards a tape recorder for their school.

The Brownies of Troop 827, Hazelwood School, recently had men from the Campbell Fire Department attend their meeting to instruct the girls in resuscitation and fire safety. The Quito Brownies of Troop 484 took a tour through Mac Donald's.

Another important event that denotes Spring in our Neighborhood is the gathering together of fathers and daughters for the annual Brownie Banquet. The sounds of gleeful giggling as the girls entertain their dads is a delight to any ear.

To date, one banquet has already been held. Brownies from Baker, Bucknall, El Quito Park and San Tomas schools had their "special night" April 16 at San Tomas School. Approximately 210 dads and daughters attended.

Two other banquets of this size, or more, will be held May 5 at Capri School and May 27 at Forest Hill School. It's truly a "labor of love" on the part of each little girl and a chance for her to show her dad a little of what she's doing in Brownie Scouts.

Obituaries

BRUCE STEPHENSON

A 1969 graduate of Del Mar High School has been killed in Vietnam.

Sgt. Bruce D. Stephenson, 19, 1192 Ridgeley Dr., had entered the service in September, 1969.

Survivors include his parents, Mr. and Mrs. Arthur Stephenson, a brother, James his grandmother, Mrs. Johanna Dunlop, all of Campbell, and another grandmother, Mrs. Mary Stephenson of Arkansas.

Services were conducted in San Jose, followed by burial at Oak Hill Memorial Park.

EDWARD D. VASS, SR.

Edward D. Vass, Sr., a resident of 819 Kenneth Ave., died recently in Los Banos while on a fishing trip.

Vass leaves his wife, Ethel, a daughter and two sons, Mrs. Elaine Cascino and Ronald Vass of Campbell and Edward Vass, Jr. of Walnut Creek; his mother, Mrs. Mary Vass of Campbell, a brother and sister, Paul Vass of Campbell and Margaret Nixon of Fairfield, ten grandchildren and two great grandchildren.

Services were under the auspices of Campbell Memorial Chapel.

BIG BIRD

Moorpark School PTA has constructed a "Big Bird" similar to the one seen on Sesame Street to publicize their carnival May 15 from 10 a.m. to 3 p.m. Proceeds from the carnival are earmarked for the PTA's "Operation Listening Post" a program to help teachers by buying special cassettes.

FLEA MARKET
and
ART FESTIVAL
MAY 8-9
378-7593

BIG SIGN--St. Lucy's Youth Council made a big sign to advertise their flea market and art festival at the St. Lucy's School this weekend. The two day event is renting spaces to the public. For information, call Jim Hillier, 378-7593 or 378-3804.

Art festival added to youth's flea market sale

St. Lucy's Youth Council is doing something a little different with their flea market planned for Saturday and Sunday, May 8 and 9 and have added an art festival.

There will be no charge for showing art work, which will be displayed in the church's Kennelly Hall, but any work sold will pay a 10% fee which will aid the youth in their civic work.

Spaces for rent are available for one or both days. The "market place" will be open from 10 to 7:30 p.m. on Saturday and from 10 a.m. to 5 p.m. on Sunday.

The "booths" will be set up on St. Lucy's School grounds at Winchester and Kennedy.

For information, call Jim Hillier, 378-7593 or Mrs. James Phillips, 378-3804.

FLEA MARKET

Campbell High School, 1 W. Campbell Ave., is having their second annual flea market on Sunday, May 16 from 9 a.m. to 4 p.m.

Gates will open at 8 a.m. for display set up, which will consist of two car spaces, but must be reserved in advance. Food sales will not be permitted.

For rental information, call Mrs. Hume 379-6282 or Mrs. Davis 378-3837.

Authentic Indian goods on display at Saratoga High

About 160 tribes of North American Indians will be represented at an Indian Market Day to be held at Saratoga High School on Saturday, May 8, said George Woodard, president of the American Indian Council of Santa Clara Valley.

The Indian Market Day is being sponsored by the Saratoga High School Parent-Teacher-Student Association, and proceeds will benefit both that organization and the Indians.

The all-day event will begin at 10 a.m. and end with a tribal PowWow in the evening which the public is cordially invited to witness. A teepee will be set up in the inner quad, and the various tribes will perform dances, in their distinctive costume, throughout the day. Members of the Hoopah and Miwok tribes are expected to demonstrate dances not usually seen by the public, said Woodard.

Other specialty dances will include the hoop dance and fire dance, accompanied by the beating of drums. A Chippewa Indian princess will preside over the day's festivities. Authentic food will be prepared and sold by the Indians.

The Indians will set up a market of their own handmade art and crafts of all descriptions - pottery, basketry, beadwork, blankets, rugs, leather, jewelry, hides, furs, paintings, sculpture, carvings, costumes, and parts of costumes. Money from the sale of these items will go directly to the Indian.

Among the items of exceptional quality will be pottery made by Ann Lewis Hansen, daughter of the famed Acoma potter, Lucy Lewis. Examples of Lucy Lewis pottery are to be found in many museums in the United States, and her works have been exhibited both here and abroad.

Ann Lewis Hansen, who now lives in Campbell, learned the skill from her mother when she was a little girl. She travels back home to the Acoma pueblo in New Mexico periodically to get the clay and to fire the pottery by the traditional manner in the open fire.

UNIQUE POTTERY--Mrs. Ann Lewis Hansen of Campbell, displays authentic Indian Pottery which she will sell at the Indian Market Day at Saratoga High School on Saturday. Mrs. Hansen's mother, Lucy Lewis, was a famous Acoma potter whose pottery may be seen in many modern-day Indian displays in museums. Mrs. Hansen obtains clay from the Acoma pueblo in New Mexico. The day-long events will feature Hoopah and Miwok dances, authentic Indian food and handicraft.

The clay found in the Acoma region is unique in that it is gray in color, of unusually lightweight quality, and is waterproof. The white paint, which characterizes Acoma pottery, is made from a fine white sand, also only found in this area. The black paint, used for the designs, comes from rubbing a "paint stone" in water in a hollowed out rock.

She uses Yucca leaves for paint brushes. Her perfectly rounded bowls are fashioned free hand without the benefit of a potter's wheel.

Admission: Adults $1, high school students 50 cents, children 25 cents.

LONE MALE--Eddie Garcia was the only man who came to the annual salad luncheon sponsored by St. Lucy's Altar Society. The Campbell man had a day off from his barber shop and joined his wife--and several hundred other ladies to enjoy a delightful luncheon at Kennelly Hall.

Legion prizes given youngsters

West Valley Unit No. 158 of the American Legion Auxiliary presented cash awards to John Goodman and Cindy Guillet, eighth grade students at Ida Price School, for winning first and second prizes in group two of their Americanism Essay contest entitled "What is Patriotism?" Lynn Szabo, seventh grade student at R. J. Fisher School won third prize. Competition was among three schools.

Mark Couture and Susan Griffith, sixth grade students at Bohnett School were first and third prize winners in group one.

Arlene Gonzales, a sixth grade student at St. Lucy's School was third prize winner. Competition was among eight schools.

Mark Couture also won the second prize cash award given by District 13 of the American Legion Auxiliary for this contest.

Children's Society fulfills dream of new building

Hundreds of contributors from Santa Clara, San Benito, Monterey and Santa Cruz counties will share in the fulfillment of a two decade dream Friday, May 7, at 11 a.m., when Children's Home Society of California, Central Counties District, dedicates its new headquarters building at 1010 Ruff Dr., San Jose.

Children's Home Society will hold a public Open House at the new site June 11 from 2-9 p.m. Members of the agency's auxiliaries, board directors and staff will act as hosts for the event.

Children's Home Society, a non-profit private counseling and adoption agency with offices located throughout California, offers the public a three-fold program, including pregnancy crisis counseling; temporary care of infants prior to placement, and guidance for couples wishing to adopt.

A member agency of the United Fund, CHS also sponsors a Minority Adoption Committee (MAC), composed of citizens, both here and in Monterey, who wish to help recruit couples interested in adopting the minority, older or physically handicapped child.

Garden women meet for lunch

Campbell Garden Club, a member of California Garden Club Inc., will meet Wednesday, May 12, at 11 a.m. at the Royal Fork Restaurant to honor the club's mother of the year.

Mrs. B. A. Brigham, club president, will report on the state convention at Long Beach. Mrs. Lou Marotti, a member of the Campbell club, was recently installed as assistant district director.

Trips available to youngsters

A series of trips ranging from one day to 10 days was announced today by Y's Travelers, the San Jose YWCA-sponsored travel group for men and women. Some trips are open to children over 10.

One day jaunts around this area will include one to an orchid farm in Gilroy and to San Juan Bautista May 15, to Sausalito and Tiburon August 14, and to San Francisco's Cow Palace November 6 for the Grand National Horse Show.

Other trips on the agenda are to Los Angeles over Memorial Day (May 28-31), to Napa Valley June 12-13, to Colorado July 1-11, to Mount Lassen September 4-6, and to the Gold Rush Country October 9-11.

Information about individual trips is available at the San Jose YWCA, 292-1075.

CASTRO A'S

Five seventh graders and eight eighth graders from Elvira Castro Junior High School earned straight "A's" last semester. Honor roll students numbered 97 eighth graders and 65 seventh graders, 98 girls and 64 boys.

Those earning all "A" graders were Rhonda Edwards, Carrie Hopkins, Sharon Moorhead, Jodi Moyer, Margaret Tefft.

Derek Baker, Kim Ehrhardt, Ronda Hruby, Steve Onishi, Cynthia Rowland, Vickie Uyeoka, Els Van Hout, and JoAnn Whitmore.

HONORED---Delta Chi Chapter of Delta Zeta at Chico State recently sponsored a traditional semi-formal spring dinner dance to honor new pledges, including Kathy Sprague, daughter of Mr. and Mrs. W. L. Sprague, 3232 Finch Dr. The new DZ attended Blackford High and West Valley College before transferring to Chico State.

Surprise party for anniversary

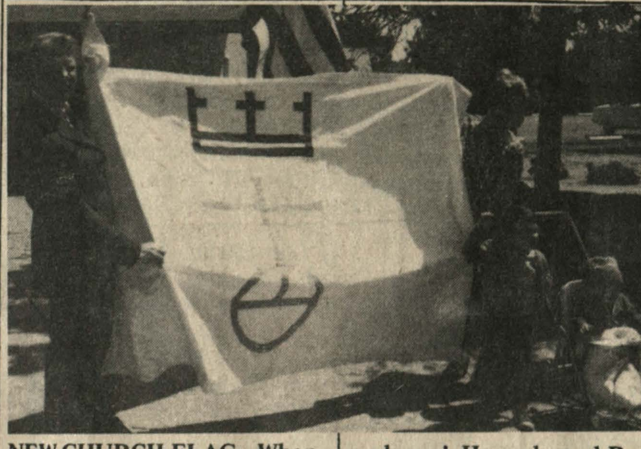
Mrs. Ruby Giese, popular secretary to Campbell Union School District's superintendent, and her husband, Reynold, were surprised by relatives and close friends recently, when they were guests of honor at a party given by Mr. and Mrs. William Herbert to commemorate the Giese's wedding, 25 years ago, at St. Joseph's Church in San Jose.

Mr. and Mrs. Giese are parents of two children, Sandy, a student at San Jose State College, and Dick, a Del Mar student. Attending the surprise party was their best man. The Giese's reside at 3057 Fruitdale Ave.

GAMES

The Ladies Auxiliary to Bishop O'Dowd Council, Knights of Columbus, are sponsoring a game night on Friday, May 14, at 8 p.m. in the K. of C. Hall on 17115 Wedgewood Ave., Los Gatos.

The adults of the community are invited to attend and enjoy their favorite table games. Prizes and refreshments will add to the evening out. Proceeds will go to a charity.



NEW CHURCH FLAG---When Mrs. Vearl LaBerge, right, visited a Redwood City church and saw their church flag flying overhead, she decided that the Congregational Church of Campbell also deserved such a flag. So the ambitious mother of three small boys made one! Here, she and Rev. A. Wayne Myers, church pastor, prepare to raise the flag over the church at 400 W. Campbell Ave. Mrs. LaBerge is the wife of a Campbell elementary school science teacher and resides on Latimer Ave.

GLAD TO SEE YOU---Jim Grace, one of the trustees of the Roger Garcia Fund, second from left, introduces Bill Koehler, manager of the Red Barn Restaurant to Roger Garcia and Lisa Congdon. Roger, a 1970 graduate of Campbell High School, is suffering from cancer. The trust fund in his name has made additional treatment for the young man possible.

Carnival to aid school needs

St. Thomas of Canterbury School of Religion, 1522 McCoy Ave., is having a "Canterbury Fair" on Saturday, May 15 from 10 a.m. until 7 p.m. The proceeds from the event will be used in purchasing teaching aids to be used in the children's religion classes.

The carnival is a joint project of the teachers, children and parents and will feature games for children of all ages and their parents too.

Besides the game booths, there will be a country store, boutique booth, pick-a-pocket man and a food booth for the hungry parents and children.

Tickets will also be available for a number of prizes, including a Honda Motorcycle.

Sister M. Christelle, principle, is assisted by Mrs. Dorothy McNiven, Mrs. Pat Frederick and Mrs. Betty Schmidt.

BIRTHDAY

Lucettes, St. Lucy's "senior citizen" group, will celebrate its first anniversary on Monday, May 10, with a potluck luncheon from 11 to 2:30 p.m. in the church hall. Seniors are invited to attend the seniors' birthday party.

EVEN THE MAYOR---Mayor Dean Chamberlin was among the citizenry who paid their respects to Roger Garcia, shown here with his girl friend, Lisa Congdon, at Red Barn Restaurant The restaurant turned over the day's proceeds to the Roger Garcia Fund. Roger, who has cancer, has made one trip to England for treatment and is expected to return there in a few months

TAKE A BIG BITE---Peter Jensen, one of the trustees of the Roger Garcia Fund, and Bill Koehler, manager of the Red Barn Restaurant encourage Roger to eat to gain strength. The young Campbell High graduate was given a benefit at the restaurant

A LOT OF EATING---There were a lot of hamburgers and milk shakes consumed at the Red Barn Restaurant on Hamilton Ave., recently as the management turned over the day's proceeds to help Roger Garcia, 18-year-old cancer victim. Roger, his parents, and his girl friend all came out for the event, as did many who simply wanted to support the young man whose hopes for life have been strengthened by a trip to England for experimental treatment, partially financed by benefits such as this.

PANCAKE BREAKFAST

GUESS WHAT?---The Booster Club of Westmont High School is sponsoring a "Quaker Oats" Pancake Breakfast Saturday, May 15, 8:15 a.m. to 1 p.m. The breakfast will be served across the street from the Quito Food Market, 18782 Cox Ave., Saratoga. Cheerleaders Christy Baldinger, Tisha Brown and Terrie Dowdle are shown heralding the event. Proceeds of the breakfast will benefit the Athletic Department. Last year the Booster Club purchased a weight machine that allows eight students to exercise at one time. The breakfast will include pancakes with syrup and butter, sausage, juice and coffee. Adult tickets are $1, 50 cents for children under 12 or $3 for a family. Tickets are being sold by students involved in sports, Booster Club members or may be purchased at the breakfast.

NEW CHURCH STAFF MEMBER---Mrs. Hilda James Snyder has been selected as the new Director of Christian Education of First United Methodist Church of Campbell. A reception in her honor is slated for Sunday, May 16 in the church Fellowship Hall. Mrs. Snyder, a Phi Beta Kappa, has served in churches in Ohio and southern California, and at Calvary Methodist in San Jose.

PHARMACY PHACTS

By Allan Blaine

Epilepsy is one of man's oldest diseases, and was described in literature as far back as twenty-five centuries ago by Hippocrates.

* * *

Elderberry is a weakly poisonous plant that may produce nausea and digestive upset. The roots are the most potent part of the plant.

* * *

Although Grandmother's medications seem old fashioned, many do have medical justification, such as mustard plasters and some herbs.

* * *

The form in which a drug or medicine is made---tablet capsule, solution, powder, ointment, etc.---is determined by how it can best fulfill its therapeutic purpose.

* * *

Some babies born to heroin-addicted mothers have shown withdrawal symptoms. No drugs should be taken during pregnancy without careful medical supervision.

* * *

When your doctor prescribes the best, we do the rest, at

BOY SCOUT

PIONEER DISTRICT

Local scouting units will gather Thursday, May 20 at Camden High School to receive recognition for the past year's accomplishments.

The gathering will be in the form of a Pioneer District Dinner, and attending scout groups will provide their own table decorations and participate in the recognition program which will include awards for camping, training, a district Award of Merit, and a Silver Beaver Award.

For information, contact Myron Alexander, 379-7720;

Letters to the Editor

FROM VIETNAM

Dear Editor:

The following should be of interest to your readers. It is excerpted from a letter written by my son, Patrick Lundquist, and headed "Vietnam, April 25, 1971". Your readers would probably also be interested to know that Patrick was born and raised in the San Jose Area. He attended Cherry Lane School Campbell Grammar School, Campbell High School, West Valley College and San Jose City College.

He enlisted in the army March of 1970 and spent his twenty-first birthday standing guard duty just ten miles from the Cambodian border.

A very, very proud mother,
Katherine L. Swenson
1296 Mayette Ave.
San Jose, Calif. 95125

--Mom, I may not be much of a flag waver, but there are many reasons for that.

I see a country running chicken and deserting another country who needs it help.

I see a country who says its afraid to fight, yet could win with so little effort if the military rather than politicians were fighting it.

The U.S. is turning into a nation of defeatists who no longer believe in this government and in so doing are on their way to becoming a second rate power.

If I could see it doing any useful purpose and if my country were supporting me I would be willing to lay my life on the line to help these people, but as has been said before, no one wants to be the last to die in a retreat.

A lot of people believe in the "Vietnamization" of the war. It's a fancy word, but it won't work. I know the people, and they make poor soldiers, and without support, won't last more than a week.

I wonder sometimes what we're planning to do about the prisoners of war. I had thought the U.S. was sworn to protect every citizen (even though the Pueblo incident belies this). And yet we've decided to pull out and leave them, so to speak.

When I enlisted, I was a flag waver, and had a purpose, but now I find my purpose has just been scattered to the winds.

I'm happy to say I haven't killed anyone yet, and hope I never have to over here, because it would all be pointless.

To me this war is just one big exercise in futility. These aren't just my thoughts, but the thoughts of my friends and thousands of others.

So much for the lecture.

Spring concert date set at WV

The West Valley College Symphony Orchestra, with Gilda Mazzanti conducting, will present its spring concert May 28 at 8 p.m.

The concert is part of the college's sixth annual Fine Arts Festival, designed as a showcase for the college's fine arts department.

The program will include the Prelude to "Die Meistersinger" by Richard Wagner, Beethoven's Fifth Symphony and "Roman Carnival" by Hector Berlioz.

There is no admission charge for the concert which will be held in the Campbell campus auditorium, corner of Winchester Blvd., and Campbell Ave.

HOT OFF THE GRILL---The Campbell Little League promises "hot off the stove" food at their annual (and only) Mother's Day fund-raising pancake breakfast at Campbell High School cafeteria on Sunday from 8 a.m. to 1 p.m. Two Little Leaguers, Kevin Clancey, left and David Darrel, right, pose with Mrs. Joyce Marlowe and head chef Jack Zogg, in anticipation of Sunday's event.

Annual Little League breakfast commemorates Mother's Day

Tickets are still available for Campbell Little League's annual Mother's Day Pancake breakfast at Campbell High School on Sunday, May 9 from 8 a.m. to 1 p.m.

The breakfast has become a tradition in the community and last year, League officials estimated that they fed over 2800 people a menu of ham, eggs, pancakes, orange juice and coffee.

This is the 14th year the breakfast has been held with the entire operation carried on by men---no mothers!

Tickets are available from any Little Leaguer or at the door. $1 for adults, 50 cents for children.

Scholarship will bear name of slain girl

The Associated Student Body of West Valley College has officially named one of the 16 scholarships it will award this spring in memory of Kathy Bilek, the Saratoga High senior slain in April at Villa Montalvo.

According to Dain Hines, commissioner of athletics, and Kathy's co-worker at a Westgate shoe store, the pert young girl had planned on attending West Valley this fall.

The recipient of the $100 scholarship will be announced during the student award assembly set for the end of May.

This is the second ASB scholarship to be named in memory of a student. The first was named for Tom Lucitt, West Valley student, who died at Stanford Hospital in the spring of 1970.

SCHOLARSHIPS

Fifteen West Valley College students have been selected to receive California State Scholarships for the 1971-72 school year.

Scholarships are calculated on need, but pay no more than tuition and fees at any four-year accredited institution in California.

Those West Valley students receiving the scholarships include Richard G. Harrison, Michelle K. McNerney, and Shera J. Mikelson from Campbell.

WAITING OUR TURNS--- These obedient pooches look as though they'd like to be doing something besides sitting, and Santa Clara Dog Training Club is going to offer them a chance to bring their boy or girl owner to a training class on Tuesday, May 11. The club annually sponsors a dog training class for kids at the county fairgrounds. This year's program will be held May 11 to June 8 at 7:00 p.m. (Registration at 6:30 p.m.) For information, call 378-6030 or 259-0417. The "charge" is 50 cents which is donated by the club to the Santa Clara Valley Humane Society.

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Twenty-Four Thousand Dollars ($24,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Valley Title Company, escrow number 149513. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Two Thousand Four Hundred Dollars ($2,400.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may be determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that May 19, 1971, at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., May 19, 1971, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on April 27, 1971, by the following vote:

AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese
NOES: Supervisors: None
ABSENT: Supervisors: None

DOMINIC L. CORTESE, Chairman,
Board of Supervisors
APPROVED AS TO FORM:
Gerald J. Thompson, Asst./Deputy

Insect sprays can do more harm than good

By Millicent Taylor

Garden writer of The Christian Science Monitor

Relying on poisonous sprays is a form of warfare against insects that can be of more harm than help.

There are good insects and harmful ones, and blanket spraying kills the good ones you need for helpers. Also, you may poison the insect-feeding birds, who are among your best allies, and the shrews who eat their weight in insects by night.

There are more and more alternatives to poisonous sprays.

Strong healthy plants resist attacks, so attention to good soil and regular care such as proper feeding, watering, cutting spent blooms, cleanup, and crop rotation are of first consideration.

Repelling insects

Birds in the garden will help, so encourage them. It has been found that a house wren feeds 500 spiders and caterpillars to its young during one summer afternoon; a brown thrasher can eat 6,000 insects a day; a swallow devours 1,000 leaf hoppers in 12 hours; flickers eat thousands of ants.

Toads, frogs, and turtles are also helpers.

Among the insect allies the humble ladybug or ladybird beetle heads the list. It eats aphids, mealybugs, whiteflies, spidermites, insect eggs, larvae, and scale. Lacewings also are helpers.

Certain plants interspersed among your vegetables and flowers will repel certain insects.

Each season this gardening column has listed a few and given sources for further information, and we get many letters asking us to repeat. It is called companion or companionate planting.

Mixed herbs

Herbs, for example, are grand protectors.

Plant geraniums and chives among your roses. Nasturtiums repel squash bugs; garlic discourages bean beetles in the vegetable gardens, Marigolds, chrysanthemums, and asters repel some insects.

I always plant marigolds among my tomato plants and near beans and squash. Spearmint and tansy repel ants. An old-time practice was to have tansy near the kitchen door.

Beatrice Trum Hunter reports that one gardener plants a row of mixed herbs down the center of his garden and has no trouble at all with harmful insects.

There are "bait" plants, too. White geraniums will catch Japanese beetles and drug or kill them, so they can be swept up and destroyed.

Safe sprays listed

If you must spray as an emergency measure, pyrethrum, rotonone, herb "tea," onion juice spray, and (to wash off aphids) plain water are safe with birds around.

One of the first sources of information in this whole field and still considered tops is Beatrice Trum Hunter's "Gardening Without Poisons (Houghton Mifflin Company, Boston).

The organic gardening people have "The Organic Way to Plant Protection," subtitled "A Complete Reference on Controlling Insects and Plant Diseases Without Pesticides," (Rodale Press, Emmaus, Pa.).

John and Helen Philbrick, Wilkinsonville, Mass., have several publications, including "The Bug Book," subtitled "Harmless Insect Controls." Your bookseller will order these for you.

Moon's position tells garden planting time

When Grandfather was a young man, planting time was almost a religious observance. The Old Farmer says "The Bible tells you everything if you can read and understand".

He refers, for example, to Ecclesiastes 3 and Genesis 1, "There is a time to plant and a time to pluck up what is planted". Just as the moon controls the ebb and flow of the tide, so she rules the growth of the plants on Earth, he contends.

Right now, this week, according to the Old Farmer, each day has its own specialties. Here is his Moon Chart for May 5 to 11. Wednesday (Virgo), plant morning glory, poppies.

Thursday, Friday, Saturday (enters Libra at 2 a.m. Thursday, and remains there until 2 p.m. Saturday when the Moon enters Scorpio) plant beans, berries, deciduous trees, also chard, chicory, clover, eggplant, gourds, melons, pansies, peas, peppers, pumpkins, rice, tomatoes and watermelon.

Monday (full moon--harvest mushrooms).

Tuesday (enters Sagitarius at 8 a.m.) harvest roots and trim fruits to retard growth.

The Old Farmer refers here to Genesis 1:29, "And God said, Behold, I am given you every herb bearing seed which is upon the face of all the Earth, and every tree, in which is the fruit of a tree yielding seen; to you it shall be for meat".

If you are interested in observing true organic gardening in the Campbell area, call or leave your name and phone at The Campbell Press.

DARTING AROUND

with Tom Carroll

Campbell's undefeated dart team, Black Knight II, finally succumbed. They lost last week's match with the Primrose Lanes III, 8-4. This loss, not only cost the Knight's II, first place, but moved the Rose III into a third place tie with Campbell's Gaslighter Theater II "Reruns." These teams play in the South Bay League "B" Division.

Under the "A" and "B" Division system in the NCDA, the first and second place teams in the "B" Division will replace the last two teams in the "A" Division, in the next seasons play.

SECRET WEAPON

It should be noted, though, that the three Primrose Lanes' teams have a built-in secret weapon when they play at home. The Primrose Lanes is a bowling alley with a very pretty little waitress. When this cute young thing serves drinks in "hot pants" or a mini, it's bound to shake-up the opposition.

This would also be a good reason for attending the Captains Meeting tonight at the Primrose Lanes. Let's see if the boys can keep their minds on business.

CAPTAIN'S MEETING

The order of business will be the nomination of officers for the 1971-72 season. The election will take place at the annual meeting and picnic in June.

As in any organization the officers are never right. If they do something, they are wrong, and if they don't do it, they are also wrong. Have you ever noticed tho, the ones who do the most complaining, hardly ever step forward to do any of the work.

If anyone doubts the activity of the officers, look at the record for the past year. For the Fall-Winter League in 1969-70 the association had 38 teams as against 52 this past season. The 1970 Spring league had 43 teams. This year we have 68. Also, this year saw the start of a Ladies Singles Championship.

There are many other accomplishments, but these officers have spent a considerable amount of time and gasoline attending meetings and carrying on the duties of their office.

As Bob Hughes says in the association publication "Off the Wire", a prime requisite for holding office is "free time, a thick skin and the ability to say 'up yours' on occasions."

HARD WIRE

The "hard wire" of the week's award should go to Eric Branthwaite of Lancashire Lad I. 180 (three triple 20's) is the highest score a dart player can hit with three darts. When this happens in league competition, it is an automatic trophy. In the Fall-Winter games, only three people achieved this. So far there have been two players in the Spring games to make the mark.

Last Wednesday night, Eric popped a 180 at the Lancashire Lad, traveled north to Mountain View to play the Scuttlebutt, and popped another 180. Two 180's in one night, both in practice so neither one of them count.

Hard luck, Eric.

Mugs!

DART GAMES TONIGHT (May 5)

No scheduled dart matches. Joint captains meeting, all leagues, Primrose Lanes, 1340 Howard, Burlingame.

DART GAMES NEXT WEDNESDAY (May 12)

Black Knight II at Gaslighter Theater II, 400 E. Campbell Ave., Campbell.

Gaslighter Theater III at Gaslighter Theater IV.

Lancashire Lad II at Black Knight I, 1781 Winchester Blvd., Campbell.

Dutch Goose at Black Watch, 141½ N. Santa Cruz Ave., Los Gatos.

Banbury Clock I at Scarlett LaRue's, 15940 San Jose-Los Gatos Rd., Los Gatos.

Primrose Lanes II at Lancashire Lad I, 15797 San Jose Ave., Los Gatos.

Lancashire Lad III at Lancashire Lad IV.

Andy Capp's at Banbury Clock II, San Jose Inn, 1860 The Alameda, San Jose.

CARNIVAL

Charles Fammatre School, 2800 New Jersey Ave., is holding a carnival on Saturday, May 15 from 11 a.m. to 4 p.m. Prizes to be awarded include a week's free rental of a vacation trailer from Baker Trailer Sales.

PIE-TASTING---When the Bumbleberry Pie and Ice Cream parlor opened recently in the PruneYard, several Campbell officials were on hand. Left to right are Al LaPlante, vice-president of the Chamber of Commerce, Berkeley Compton (Mr. Bumbleberry), chairman of Bumbleberry Enterprises, Dean Chamberlin, then mayor of Campbell and Howard Harmer, president of Bumbleberry Enterprises. Twenty parlors are planned for this area.

Health officials stop fishing at Almaden-Calero reservoirs

Fishing has been prohibited in the Almaden and Calero reservoirs and Alamitos Creek according to the Santa Clara County Flood Control and Water District.

The Santa Clara County Health Department and the State Department of Fish and Game posted the areas at the request of the State Public Health Department.

According to the officials, the restriction is required because samples of fish recently taken from the reservoirs and from Alamitos Creek downstream of Almaden Reservoir indicated high mercury content. They also warn all parties not to eat fish taken from either reservoir or the stream.

An investigation currently is in progress in cooperation with the State Department of Health, State Department of Fish and Game, the Regional Water Quality Control Board and the Santa Clara County Flood Control and Water District to determine the extent of the problem and the effect on water and on fish.

Almaden and Calero Reservoirs are used by the district to capture winter runoff for conservation, irrigation and flood control purposes. The quality of the water in the reservoirs concerns the district in that the water ultimately provides a portion of the water supply for Santa Clara Valley. District officers report recent tests of the water in Almaden and Calero Reservoirs indicate that the mercury level in this water is below the United States Public Health Service recommended limit of five parts per billion.

However, the concentration of mercury in the fish exceeds the limits allowable for human consumption. District personnel are currently studying the quality of the water in adjacent watersheds.

District officials report that continual study will be required by all agencies concerned to determine the long-term fisheries program.

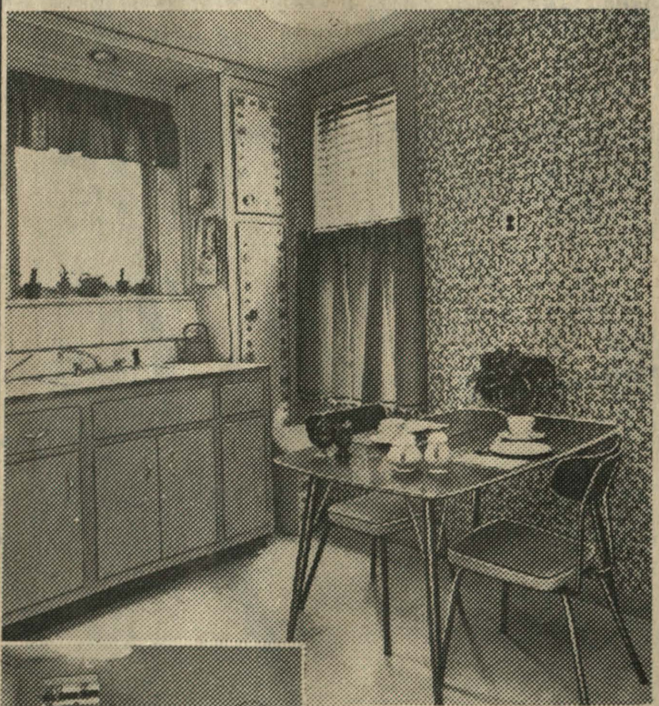
Homemaker's Haven

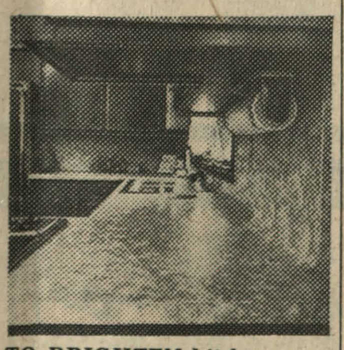


JUST THREE HOURS was all it took to change a drab kitchen (left) into a colorful, sparkling scene (above). Vinyl wall panels in random mosaic tile pattern were the choice. Two walls, each eight by 10 feet, use less than 20 boxes of the pattern—in one-foot square panels, eight to a box. Delft squares accent cabinets.

* * *

PANELS ARE flexible, can be cut to size with shears. Adhesive backing is ready to apply when protective coating is removed. Panels by Decro-Wall (in some cities, Lustra-Tile).

CABINET FRONT converts to a modern range hood with a slight pull forward, giving ventilation and complementing kitchen built-ins. "Kenmore Hide-A-Hood" at Sears.



TO BRIGHTEN kitchen counters is new vinyl countertopping. The vinyl is easy to cut and fit, provides color, texture. "Evergleam" Countertopping by Goodyear.

IRS director explains auditing procedure of income tax returns

Your 1970 Federal income tax return is filed. Now you can breathe easy for another year, unless.....

Unless your tax return is audited.

"We realize the prospect of being audited is not one of the taxpayer's more pleasant thoughts", Raymond Harless, Northern California IRS director, said. "But maybe understanding what to expect and how audits are selected can make the taxpayer feel a bit more comfortable."

Surprisingly, not all taxpayers involved in an audit end up paying Uncle Sam more money. Harless stated that approximately 37% of the returns audited are either accepted as filed or have a refund coming to them.

What are your chances of being audited? The Director stated that that depends on what is in your return. "Although the Internal Revenue Service audits about five percent of the returns taxpayers file, some persons with unusual tax situations have their returns investigated every year and some are never audited."

Each year the Northern California District audits about 78,000 tax returns. More than two-thirds of these are filed by individual citizens while the remainder came from corporations and other business enterprises.

A taxpayer first learns he's being audited when he receives a letter from the government that reads, "In examining your income tax return for the above year, we find we need additional information....."

Actually, the screening process begins long before this. About 3,000,000 Northern Californians file tax returns between January 1 and April 15, mailing them to the IRS Western Service Center in Ogden, Utah.

There the tax returns undergo a careful screening. First, there is a check to make sure all necessary information is included on the return. Then the arithmetic is verified and the return is fed into the computer. Persons who have refunds coming are sent checks. Those owing additional tax receive bills.

Up to this point the government has taken the taxpayer's report of his income at face value. Later on, however, the IRS may want proof of some of the things he claimed on his return.

"The IRS doesn't have the manpower or the funds to audit returns by random selection," the Director said. "We operate the Service like any business. First we decide what areas are most subject to error or misinterpretation. Then we program this into the computer.

"The computer identifies returns with these potential trouble spots. Then a team of our most experienced people look at each of these selected returns to decide which ones need further consultation with the taxpayer."

Harless said "Most taxpayers can complete their audits in one visit if they bring in the receipts, cancelled checks and other proof needed to support the accuracy of their returns."

Harless then added, "But many of the taxpayers selected for audit make the process more difficult, at least a third don't keep their appointments and many fail to bring in proof of their deductions."

Wht? "Some taxpayers either lose or throw away their receipts after their tax return is filed and without proof we cannot allow their deductions or exemptions. It's important that taxpayers remember to keep their tax records at least three years in case we question an item on their return."

He listed the following areas as those most frequently considered in an audit and explained the type of proof the IRS will accept.

(1) Contributions: a. Cancelled checks payable to the church or charitable organization.

b. Statement from pastor or responsible church officer indicating the name and address of the contributor, the amount of the contribution, and the date of payment.

c. Payroll check stub showing a deduction from salary for contribution to recognized charitable organizations.

d. Receipts from qualified charitable organizations.

(2) Medical Expenses:

a. Payroll check stub or payroll statement showing deductions from salary for medical insurance.

b. Cancelled checks, receipts or statements from doctor, dentist or hospital indicating medical expenses paid during the year.

(3) Interest: a. Statement from the bank or other lending agency showing the amount of interest paid during the year.

b. A copy of the purchase or loan contract showing the amount of interest and date of payment of the interest.

c. Receipts indicating the amount of interest paid. It is noted that cancelled checks are not acceptable proof of payment of interest, because they do not show the amount of payment that constituted interest rather than principal.

(4) Taxes: a. Cancelled checks for payment of real and personal property taxes and State income tax.

b. For sales tax, if the table of average sales tax was not used, receipts to substantiate the deduction.

c. Best evidence for gasoline tax is a receipt or credit card statement. Only the portion representing State gasoline tax is deductible.

(5) Work Clothes or Uniforms: a. A taxpayer who claims a deduction for work clothes or uniforms must be able to establish that his job is one which specifically requires special apparel or equipment as a condition of employment and that the work clothes or uniforms are not adaptable to general or continued usage so as to take the place of ordinary clothing.

AWARD SCHOLARSHIP---At the last annual dinner meeting of the Campbell-Los Gatos local of Sunsweet Growers, it was announced that the local was awarding a scholarship at West Valley College in the name of the fruit growers group that was formed in 1929.

Campbell-Los Gatos and Cupertino and Fremont locals have been redistricted into Live Oak. Pictured are some of the growers who attended the annual meeting. Seated, left to right, Ralph Doetsch, Clement Talacio, Anthony Banz. Standing, left to right, William Lester, Arthur Downing, William Cilker, Peter LaBarbera.

FINAL DINNER MEETING---Steps have been taken to redistrict the Campbell-Los Gatos Sunsweet Growers local, formed in 1929, into the Live Oak local. Cupertino and Fremont will also merge into Live Oak. Pictured are some of the long-time members of the Campbell-Los Gatos group at the annual dinner meeting held last week. Before going established a scholarship at out of existence the local West Valley College. Left to right, S.M. Fidel, John Wood, G. Schrader, Sam Moinsenco, Robert Taylor.

END OF AN ERA---Some members of the Campbell-Los Gatos local of Sunsweet Growers who attended the annual dinner meeting of the local. The local has now merged with Live Oak as urbanization has taken its toll of the fruit growing industry. Left to right, Herb Steindorf, Art Silacci, Stanley Guttermsen, Bob Brydon, Manuel Gomes.

LOCALS MERGE---Urbanization of the Santa Clara Valley, once the center of the fruit industry, has forced the redistricting of the Campbell-Los Gatos Sunsweet local into Live Oak along with Cupertino and Fremont. The growers still operate the dehydrator at the local plant where fruit is shipped in from fruit growing areas.

Pictured are some of the members of the Campbell-Los Gatos unit who attended the final annual dinner meeting of the local. Left to right, Albert Peter, Ray Evora, G.K. Schrader and Mrs. Mary Rizio and Mrs. Myrl Block.

COLONEL COMES TO CAMPBELL--This city, which is fast becoming known as "the eatin'est city in California" can now add another popular phrase--"finger lickin' good" to its many food titles. Shown above is the new Campbell home of Col. Sanders' famed "Kentucky Fried Chicken" which has just opened at the corner of Winchester Blvd. and Latimer Ave.

Col. Sanders chicken outlet opens in town

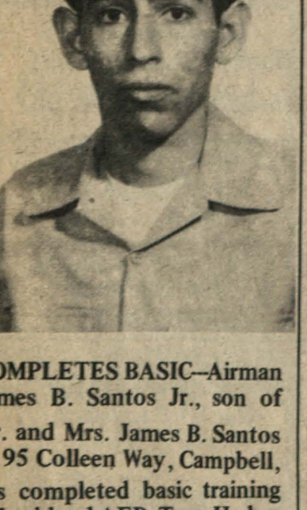
Now open in Campbell, at Winchester Blvd. and Latimer Ave., is the first Col. Sanders' "Kentucky Fried Chicken" outlet to be located within the city limits of Campbell.

Operators of the outlet, which has brought almost as much fame to the Blue Grass State as the Kentucky Derby, are Mr. and Mrs. Richard Farrow of Salinas. The Farrows spent 18 months in the Salinas store before obtaining the Campbell franchise.

The new Campbell outlet is one of the more than 1,300 Kentucky Fried Chicken stores in the United States, England and other countries. According to the Farrows, the success of the amazing food chain is proof of the old adage that "you're never too old to start over". Col. Harland Sanders was 65 when an interstate highway by-passed his restaurant-motel in Corbin, Ky. Broke and with nothing but social security ahead, he packed his pots and pans in the trunk of his car and went from city to city demonstrating his fried chicken cooking process.

After three years, often sleeping in his car, the business took hold, and the Colonel is already a legend in his own time. Although he is now a multi-millionaire, only half a dozen people know his exact recipe and his secret blend of 11 exotic spices and herbs that have made his chicken a gourmet dish enjoyed by millions.

OFFICIAL GREETING---Presidents and Mayors exchanged greetings when the Rotary sponsored a "Sentimental Journey" train ride to Monterey recently. On hand to greet the Campbell group was the president of the Monterey Rotary and his wife, left, Mr. and Mrs. Dusty Smith, and Norm Scott, Campbell Rotary President. In the rear, left, is the mayor of Monterey, Al Madden, shown with Dean Chamberlin, mayor of Campbell.



COMPLETES BASIC--Airman James B. Santos Jr., son of Mr. and Mrs. James B. Santos of 95 Colleen Way, Campbell, has completed basic training at Lackland AFB, Tex. He has been assigned to Sheppard AFB, Tex., for training in the civil engineering structural and pavements field. Airman Santos is a 1969 graduate of Campbell High School.

WINGS---Janice Ellen Murray, former elementary school teacher, has received her wings as a stewardess with World Airways of Oakland. Janice received her BA degree from San Jose State in sociology and education. She is the daughter of Mr. and Mrs. Joseph Murray of 4951 Westdale Dr. She is a member of Alpha Phi sorority.

YWCA installs new officers

The San Jose YWCA, which serves the Campbell area through the Cambrian Center at 4343 Leigh Ave., will be headed by Mrs. Earl Dailey as president of the board of directors for the coming year. She was re-elected at the annual meeting April 14.

Other officers include Mrs. Wallace Hall, first vice-president; Mrs. Bradford Howes, second vice-president; Mrs. Charles Stanley, third vice-president; Mrs. Clifford Baughman, secretary; and Miss May Duignan, treasurer.

The San Jose YWCA is a United Fund Agency open to all women and girls; some activities are open to men as associates. For information about program call either the Metropolitan YW, 292-1075, or the Cambrian Center.

Final planetarium show at college begins Friday

The fifth and final show of the school year in West Valley College's planetarium will begin on Friday evening, May 7.

"One Night in 1954 A.D." will be shown through June 18 each Friday night at 7:30 p.m.

This show relates how Chinese astronomers observed a strange phenomenon in the constellation of Taurus the Bull over a thousand years ago and how modern astronomers view this happening.

The planetarium houses the Spitz A-4 planetarium projector, first of its kind on the West Coast. It illustrates the star field including the Milky Way, Sun, Moon, planets, Magellanic Clouds and other heavenly objects.

All residents of the West Valley Community College District may attend the Friday night performances, but reservations must be made on a first-come, first-served basis. Reservations may be made through the Office of Community Services, telephone 379-1733, ext. 58.

There will be a flat 50 cents admission fee for both children and adults, to be collected at the door.

ADMISSIONS

West Valley College is offering a special evening administration of its admissions test on Monday, May 10, 1971 at 7 p.m. in the auditorium on the Campbell campus.

Prospective students may reserve a place by calling the Campbell College Counseling Center at 379-1733, ext. 75.

Admissions test scores are required for students wishing to take English or speech classes and for day students.

TAKES OFFICE---Mrs. Earl Dailey (left), who was re-elected president of the San Jose YWCA last week, congratulates Mrs. Bradford Howes, who was elected second vice-president. Looking on is Mrs. Wallace Hall (center), first vice-president. Other officers are Mrs. Charles Stanley, third vice-president; Mrs. Clifford Baughman, secretary; and Miss May Duignan.

BACK TO WORK

Gus Rodrigues, 637 Weston Dr., has returned to work full time at Handicapped War Veterans Crafts and Salvage Shops in Santa Clara after a series of major surgeries last year. A 20-year employee of the store, Gus was not expected to recover sufficiently to go back to work as counter man at HWV, but supported by family, friends and doctors, he is back at work.

MAY 5:

On this date in 1912, Lt. Col. C. B. Winder, Ohio National Guard, became the first National Guard Pilot.

SERVICE? WE'LL TAKE CARE OF IT!
From time to time even the finest equipment requires the steady hand of a factory trained serviceman. If you need help, isn't it a comfort to know we're right around the corner. Whether it's a tire change, or a complete bike rebuilding job, we are ready . . . cheerful, fast, and efficient.
